As regards point (i) above, the views of the M.C have been called for and he has been reminded to expedite his reply in the matter. As regards point (2) two estimates have now been submitted by the Chief Engineer, one for Rs 3454 for the temple work at Belur and the other for Rs 2500 for the temple work at Halebid. Necessary provision has been made by the M.C for the work at Belur and no provision seems to have been made for the work at Halebid. 12/ As regards (i) Sri Chennakesavaswami Temple, the period of sanction conveyed in G.O.No.1972-75/Muz.304-31-5 dated 28-6-1932 expired by the end of June 1933. While making allotments from the State and General Muzrai Fund grants for Construction and Repairs during 1933-34, the usual grant of R 3484/- was allotted in favour of this institution (vide G.O.No.686-9/Muz.114-33-2 dated 30th Nov. 1933). This has since been drawn and credited to institution funds. It now remains to authorise the D.P.W. to operate upon this amount and finally adjust the accounts of previous year if works according to the estimate furnished by the Executive Engineer were carried out.

13/ I am of opinion that the Special Establishment may be continued for one more year, i.e., till the end of June 1935 as recommended by the Chief Engineer. Necessary allotment will be made in the grant for "Construction and Repairs" for 1934-35.

14/ As regards (ii) Sri Hoisaleswara and Temple at Halebid, the period of sanction conveyed in G.O. No.3755-77/Muz.431-28-2 dated 20th June 1930 for the entertainment of the Special Establishment expired by the end of June 193[illegible]
